Are you preparing to apply for a faculty position?

This session is designed to help demystify the often-opaque process of applying for academic jobs. While the focus will be on the U.S. system, much of the guidance will be broadly applicable to academic hiring in other countries as well.

This panel discussion is especially valuable for graduate students and postdocs at any stage of the academic job search. The session will provide:

- An insider's perspective on how junior faculty searches are conducted
- A breakdown of the interview and campus visit process
- Clarification of common myths and misconceptions
- Practical advice for preparing application materials and navigating the process
- A Q&A session to address participant-specific concerns

## Mount snow activities

Make the most of your stay at Mount Snow by enjoying a variety of outdoor activities available during the conference. Whether you're seeking adventure or relaxation, there's something for everyone:
